OUR PARISHES

Who are the Justice Seekers of OLP and Annunciation parishes?

We are people with a heart for social justice. We take our *inspiration* and guidance from the principles of

Catholic Social Teaching, rooted in the Gospel. Our desire is to develop *awareness* of social justice issues, to build *kinship* with our brothers and sisters in Christ, especially the most vulnerable. We seek to bring about systemic change, to foster the *transformation* of our metropolitan area, our nation, and our world into communities of justice for all.

In 2025, we have chosen to focus on the Catholic Social Teaching principle known as the “Option for the Poor and Vulnerable.” This principle proclaims “that a basic moral test is how our most vulnerable members are faring, and so our tradition instructs us to put the needs of the poor and vulnerable first. The primary purpose of this special commitment to the poor is...to enable all persons to share in and contribute to the common good.”

If you would like more information about the Justice Seekers and our plans for the coming year, or if you wish to join us on Zoom at one of our upcoming meetings (usually the first Thursday of the
