Dear Friends,

This week begins Lent with Ash Wednesday. Please consult the bulletin for all of our Mass times for both parishes. Please be sure to take one of the little black books with you as well as consider other resources that we will continue to highlight in our bulletin and in our Sunday flocknote throughout Lent.

Important Update -

I want to share with you an update and a change on how our parish staff will be working to serve both Annunciation and Providence parishes more efficiently.

As you know, over the last year, a few changes in personnel have presented us with a unique opportunity to better align our staff to serve both of our parishes more efficiently. This shift allows each staff member to focus on their area of expertise while being available to support both parishes. For both parishes, Barb Koch is overseeing finance, Chris Lowe is managing facilities and maintenance, and most recently we are excited to have added Jan Fabick who is taking on parish support and communications.

A challenge we have faced, however, has been the physical separation of our staff, as we have been working from two different locations: the Providence rectory and the Annunciation rectory. This separation made communication more difficult and challenging for us priests and staff to work as a team. To address this, after multiple conversations with Fr. Paul the staff and parish council, I have decided to bring all staff together at one location.

With Annunciation rectory being previously renovated and adapted as living quarters for me, it makes most sense for it to remain as the priest residence and for Providence rectory to now serve as the parish office for both parishes. Over the last few weeks, we have been getting things organized and ready for Barb, Chris, and me to set up our offices at Providence rectory along with Jan and Fr. Paul whose offices are already there.

In recent months we installed a new phone system which allows us to receive incoming calls for both parishes at one central location, while still recognizing which parish the call is intended for. This will make it easier for you to reach us and ensure that calls are directed to the appropriate parish personnel.

We are grateful for your continued support and patience as we make these adjustments. We believe that these changes will help us serve you better and strengthen the mission of both Annunciation and Providence parishes.

If you have any questions or need assistance, please do not hesitate to reach out to us in person or by calling us at the same number you have used in the past.

Have a blessed Sunday!

Father Mike

Deacon Diaper Drive!

Please mark your calendars! During the weeks of Lent, Wednesday, March 5 through Sunday, April 13, 2025, the Permanent Deacons in the Archdiocese

of St. Louis, in conjunction with the Respect Life Apostolate, will be collecting diapers for infants, toddlers and adults as part of our tenth annual diocesan-wide Pro-Life service project to assist families in need. Last year we collected over (225,000) thousand diapers for those in need and we'd like to exceed that total this year. We would ask that you please consider adding the purchase of infant, toddler or adult diapers to your shopping list and bring them to **Annunciation and Our Lady of Providence**. All diapers collected will be donated to assist families in our community. **Organizations who benefit from our drive include, Our Lady's Inn, Our Little Haven, Good Shepherd Home and the Affton Food Bank.** For more information, speak to one of our permanent deacons, Pat or Rob. We would like to stress the need for larger size diapers, 3's, 4's and 5's as well as for adults. We ask you to pray for the success of this project and to contribute if possible.

Available now in church vestibules!

2025 Lenten Offering

The 2025 Lenten Offering will support our ongoing Tree Currency program to promote reforestation, soil renewal, and better farming practices in the St. Jean area. Here are the results of the program after 18 months:

- 1) 41,937 trees were transplanted in farmers' plots, on degraded hillsides and in forest gardens (Goal: 22,500)
- 2) 49 forest gardens were established on non-agricultural land enabling the co-cultivation of valuable trees and crops
- 3) Agronomic training and farming tools were provided to >400 farmers
- 4) High-quality black bean- and maize seeds were shared with >400 farmers
- 5) A community seed bank was established as a future community resource for high-quality seeds

In order to fully fund this 5-year program into 2028, we need to raise an additional \$33,000. A donation of \$75 will sponsor a farmer for 1 year and enable the planting of ~40 trees. A donation of \$200 will sponsor a farmer for 2 1/2 years and enable the planting of ~100 trees. Of course, any donation amount is welcome!

In the back of church, we have a poster that provides more details about the Tree Currency program. The QR code below will enable online donations. In addition, we have provided envelopes for those who would prefer to mail a check to the Holy Redeemer office. We thank you for your past support of our Haiti mission work and ask that you consider giving to this cause during Lent.
